

Statement of Commitment to Child Safety

At St Pauls Lutheran Church Nundah, we are committed to providing a safe and secure environment for all children in our care. We recognise that children are vulnerable and precious members of our community, and we take seriously our responsibility to protect and nurture them.

We commit to:

- Creating a safe and inclusive environment for all children, regardless of their race, ethnicity, gender, sexual orientation, or ability.
- Providing appropriate training and resources to our staff and volunteers to ensure they are equipped to recognise and respond to signs of abuse, neglect, or harm.
- Conducting appropriate checks on all staff and volunteers who work with children in any capacity.
- Developing and implementing policies and procedures to prevent and respond to incidents of abuse or harm, including reporting requirements and appropriate disciplinary action.
- Encouraging open communication with parents and guardians and involving them in the safety and well-being of their children.
- Regularly reviewing and updating our child safety policy and procedures to ensure they reflect best practices and comply with all applicable laws and regulations.

We are committed to upholding these standards and to continuously improving our efforts to ensure the safety and well-being of all children who are part of our community.
